## WRITING BOARDS

### WHITE & CHALK

White boards & Chalk boards are more than a writing surface

They are vital communication link

These boards are ideal for neat & clean presentation of lectures , training & displays

The high quality of these boards with low price tag suits all the users

#### WHITE BOARD

The high gloss, hard laminate, brilliant white surface is suitable for writing on with dry wipe board markers.

**Advantage :**

Smooth writing & easy erasing. Colourfull presentation.

#### CHALK BOARD

The green matt hard surface is just for being written with chalk. The hard specially textured laminate offers smooth use of chalk in writing & also gives a clear vision.

Easy to clean with dry cloth or duster.

#### Features :

- ◆ Advanced manufacturing technique makes them light weight & offers tough warp free construction.
- ◆ Silver anodised framing with attractive plastic corners.
- ◆ Laminates on back side make them moisture proof.
- ◆ Hangers on all four corners at the back side for direct easy fixing of boards to wall.
